

## Opera Sound technical rider

**Theatre-Main stage:**

**Microphones, stands:**

|                    |    |                     |
|--------------------|----|---------------------|
| Sennheiser e835    | 2  |                     |
| Sennheiser e935    |    |                     |
| Sennheiser e945    |    |                     |
| Shure KSM9         |    |                     |
| DPA 4098           | 2  | pulpit              |
| DPA 4099           |    |                     |
| DPA4060            | 8  | orchestra pit fixed |
| Sennheiser e614    |    |                     |
| Sennheiser e902    |    |                     |
| Sennheiser e904    |    |                     |
| Sennheiser e906    |    |                     |
| Sennheiser e908    |    |                     |
| Neumann KM184      | 6  |                     |
| AKG C414XLII       | 4  |                     |
| Sennheiser MD421   |    |                     |
| Sennheiser MKH8060 | 2  |                     |
|                    |    |                     |
| Overhead           | 2  |                     |
|                    |    |                     |
| Roundbase middle   | 4  |                     |
| Standard tripod    | 20 |                     |
|                    |    |                     |
|                    |    |                     |

### Mixers, stage boxes:

|                                                |   |  |
|------------------------------------------------|---|--|
| Soundcraft Vi5000 + Local Rack                 | 1 |  |
| Soundcraft Stagebox MM 48/16 analog, 16/16 AES | 1 |  |
| Soundcraft Stagebox MM 32/16 analog, 8/8 AES   | 1 |  |
| Soundcraft Stagebox MM 32/16 analog            | 1 |  |

|                                  |  |  |
|----------------------------------|--|--|
| Robust 16/4 analog stage box 30m |  |  |
| Robust 12/4 analog stage box 10m |  |  |
| Robust 12/4 analog stage box 15m |  |  |
| Robust 8/4 analog stage box 10m  |  |  |
| Robust 8/4 analog stage box 15m  |  |  |
| Robust 6/2 analog stage box 10m  |  |  |
| Robust 6/2 analog stage box 15m  |  |  |

### Speakers, amplifiers, processors, playback systems:

|                         |      |                |
|-------------------------|------|----------------|
| Crest Audio CPX1500 amp | 1    | Stage controll |
| Electro Voice Evid 6.2  | 4    | Stage controll |
| Electro Voice ETX 12P   | 4    | Stage controll |
| K-Array -KV52X+KK102X   | 14+2 | P.A.           |
| K-Array- KU44X+KU210X   | 3+2  | Sub            |
|                         |      |                |
|                         |      |                |
|                         |      |                |
|                         |      |                |
|                         |      |                |
|                         |      |                |
|                         |      |                |
|                         |      |                |
|                         |      |                |
|                         |      |                |
|                         |      |                |
|                         |      |                |
|                         |      |                |
